

Goddess Pilgrimage to Crete

in the footsteps of Carol P. Christ

September 16-30, 2023

October 5-19, 2024

September 20-Oct 4, 2025

This unique two-week tour for women includes museums and archaeological sites, sacred ceremonies, swimming in the Cretan sea, delicious food, meetings with village women, and visits to mountaintops and caves that were sites of ancient worship. The Goddess Pilgrimage was developed by Carol Christ, who sadly passed away in July 2021; at Carol's request, the tours will continue under the guidance of Laura Shannon, following the template Carol created.
