

# Goddess Pilgrimage to Crete

*with Laura Shannon, in the footsteps of Carol Christ*

*September 20-October 4, 2025*

*October 3-17, 2026*

This unique two-week tour for women includes museums and archaeological sites, swimming in the Cretan sea, sacred ceremony, delicious food, meetings with local women, and visits to mountains, caves, & places of ancient worship.

The Goddess Pilgrimage was developed by Carol P. Christ, who sadly passed away in July 2021. At Carol's request, Laura Shannon is continuing to lead groups following the template Carol created.

*Although this is not a dance tour, the Pilgrimage allows us to explore the roots of pre-patriarchal, woman-centred, Goddess-honouring civilisations in which circle dances have their origin. Those who wish will have the chance to learn several dances and to dance with local musicians.*
